CONFINED SPACE ENTRY and FIRST AID/CPR TRAINING

**Tuesday, March 16, 2010
8:00 AM - 3:00 PM
CRWD Office**

Cost - \$100.00

The Capitol Region Watershed District (CRWD) is hosting a confined space entry (CSE) training for staff of other metro watershed districts and watershed management organizations. Stormwater monitoring and any other work conducted in storm sewers, manholes or other similar structures require staff to be trained in the appropriate measures, procedures and controls of safe entry into confined spaces.

Ted Beyer of the Beyer Knutson Group, Inc. will conduct the training, which will include both classroom instruction and an outdoor exercise. In addition to CSE training, first Aid/CPR training will be provided in the afternoon. There is no discount for half-day attendance.

REGISTER EARLY as class size is limited to 15 people. Contact Dawn Nelson @ (651) 644-8888 or dawn@capitolregionwd.org to reserve your spot.
