Under a Capital Improvement Program funded by the Capitol Region Watershed District (CRWD) and designed to encourage the sealing of abandoned (unused) wells, the parties to this Agreement agree as follows:

1. DISTRICT'S OBLIGATIONS

The District will pay the Landowner an amount up to or equal to 50% of the direct costs for sealing a well located on the Landowner's property, but not exceed \$500.00 (five hundred) dollars per well. If well sealing funds are also received from another government agency, the Landowner must report this to the District, and the District may reduce its cost-share contribution so that the total amount of combined grant funds does not exceed 50% of the qualifying costs.

2. TERMS OF PAYMENT

Payment to the Landowner of the cost-share amount shall be made in one installment by the District upon verification that the well has been sealed properly and that all provisions of this contract have been fulfilled.

3. TERM OF CONTRACT

This agreement shall be effective from _____, 201__

forth in this agreement have been satisfactorily fulfilled, whichever comes first.

7. CONDITIONS OF PAYMENT

- A) All services provided by the Landowner pursuant to this grant shall be performed to the satisfaction of the District, as determined in the sole discretion of the District. The Landowner shall not receive payment, and the District is entitled to complete reimbursement, for work found by the District to be unsatisfactory, or performed in violation of federal, state or local law, ordinance, rule or regulation. The total obligation of the District shall not exceed the Grant Amount listed above.

8. RIGHT TO INSPECT

The Landowner will allow authorized representatives of the District, the Ramsey Soil and Water Conservation District, Minnesota Department of Health, or State employees or agents to inspect the work during regular business hours before, during, and after the well sealing.

9. CANCELLATION

The District may cancel this contract with or without cause by ten (10) days written notice to the Landowner. The Landowner will be entitled to reimbursement according to the terms of the Agreement for qualifying costs incurred up to and including the effective date of the cancellation, for work or services satisfactorily performed.

10. LIABILITY

11. NON-ASSIGNABILITY

Landowner shall be responsible to make payment to the person or persons performing the work and shall not assign or transfer any interests, rights or obligations under this Agreement without the prior written consent of the District.

12. ENTIRE AGREEMENT

This agreement is complete and supersedes all oral agreements and negotiations between the parties as well as any previous agreements presently in effect between the parties.
