

# WELCOME TO WILLOW RESERVE

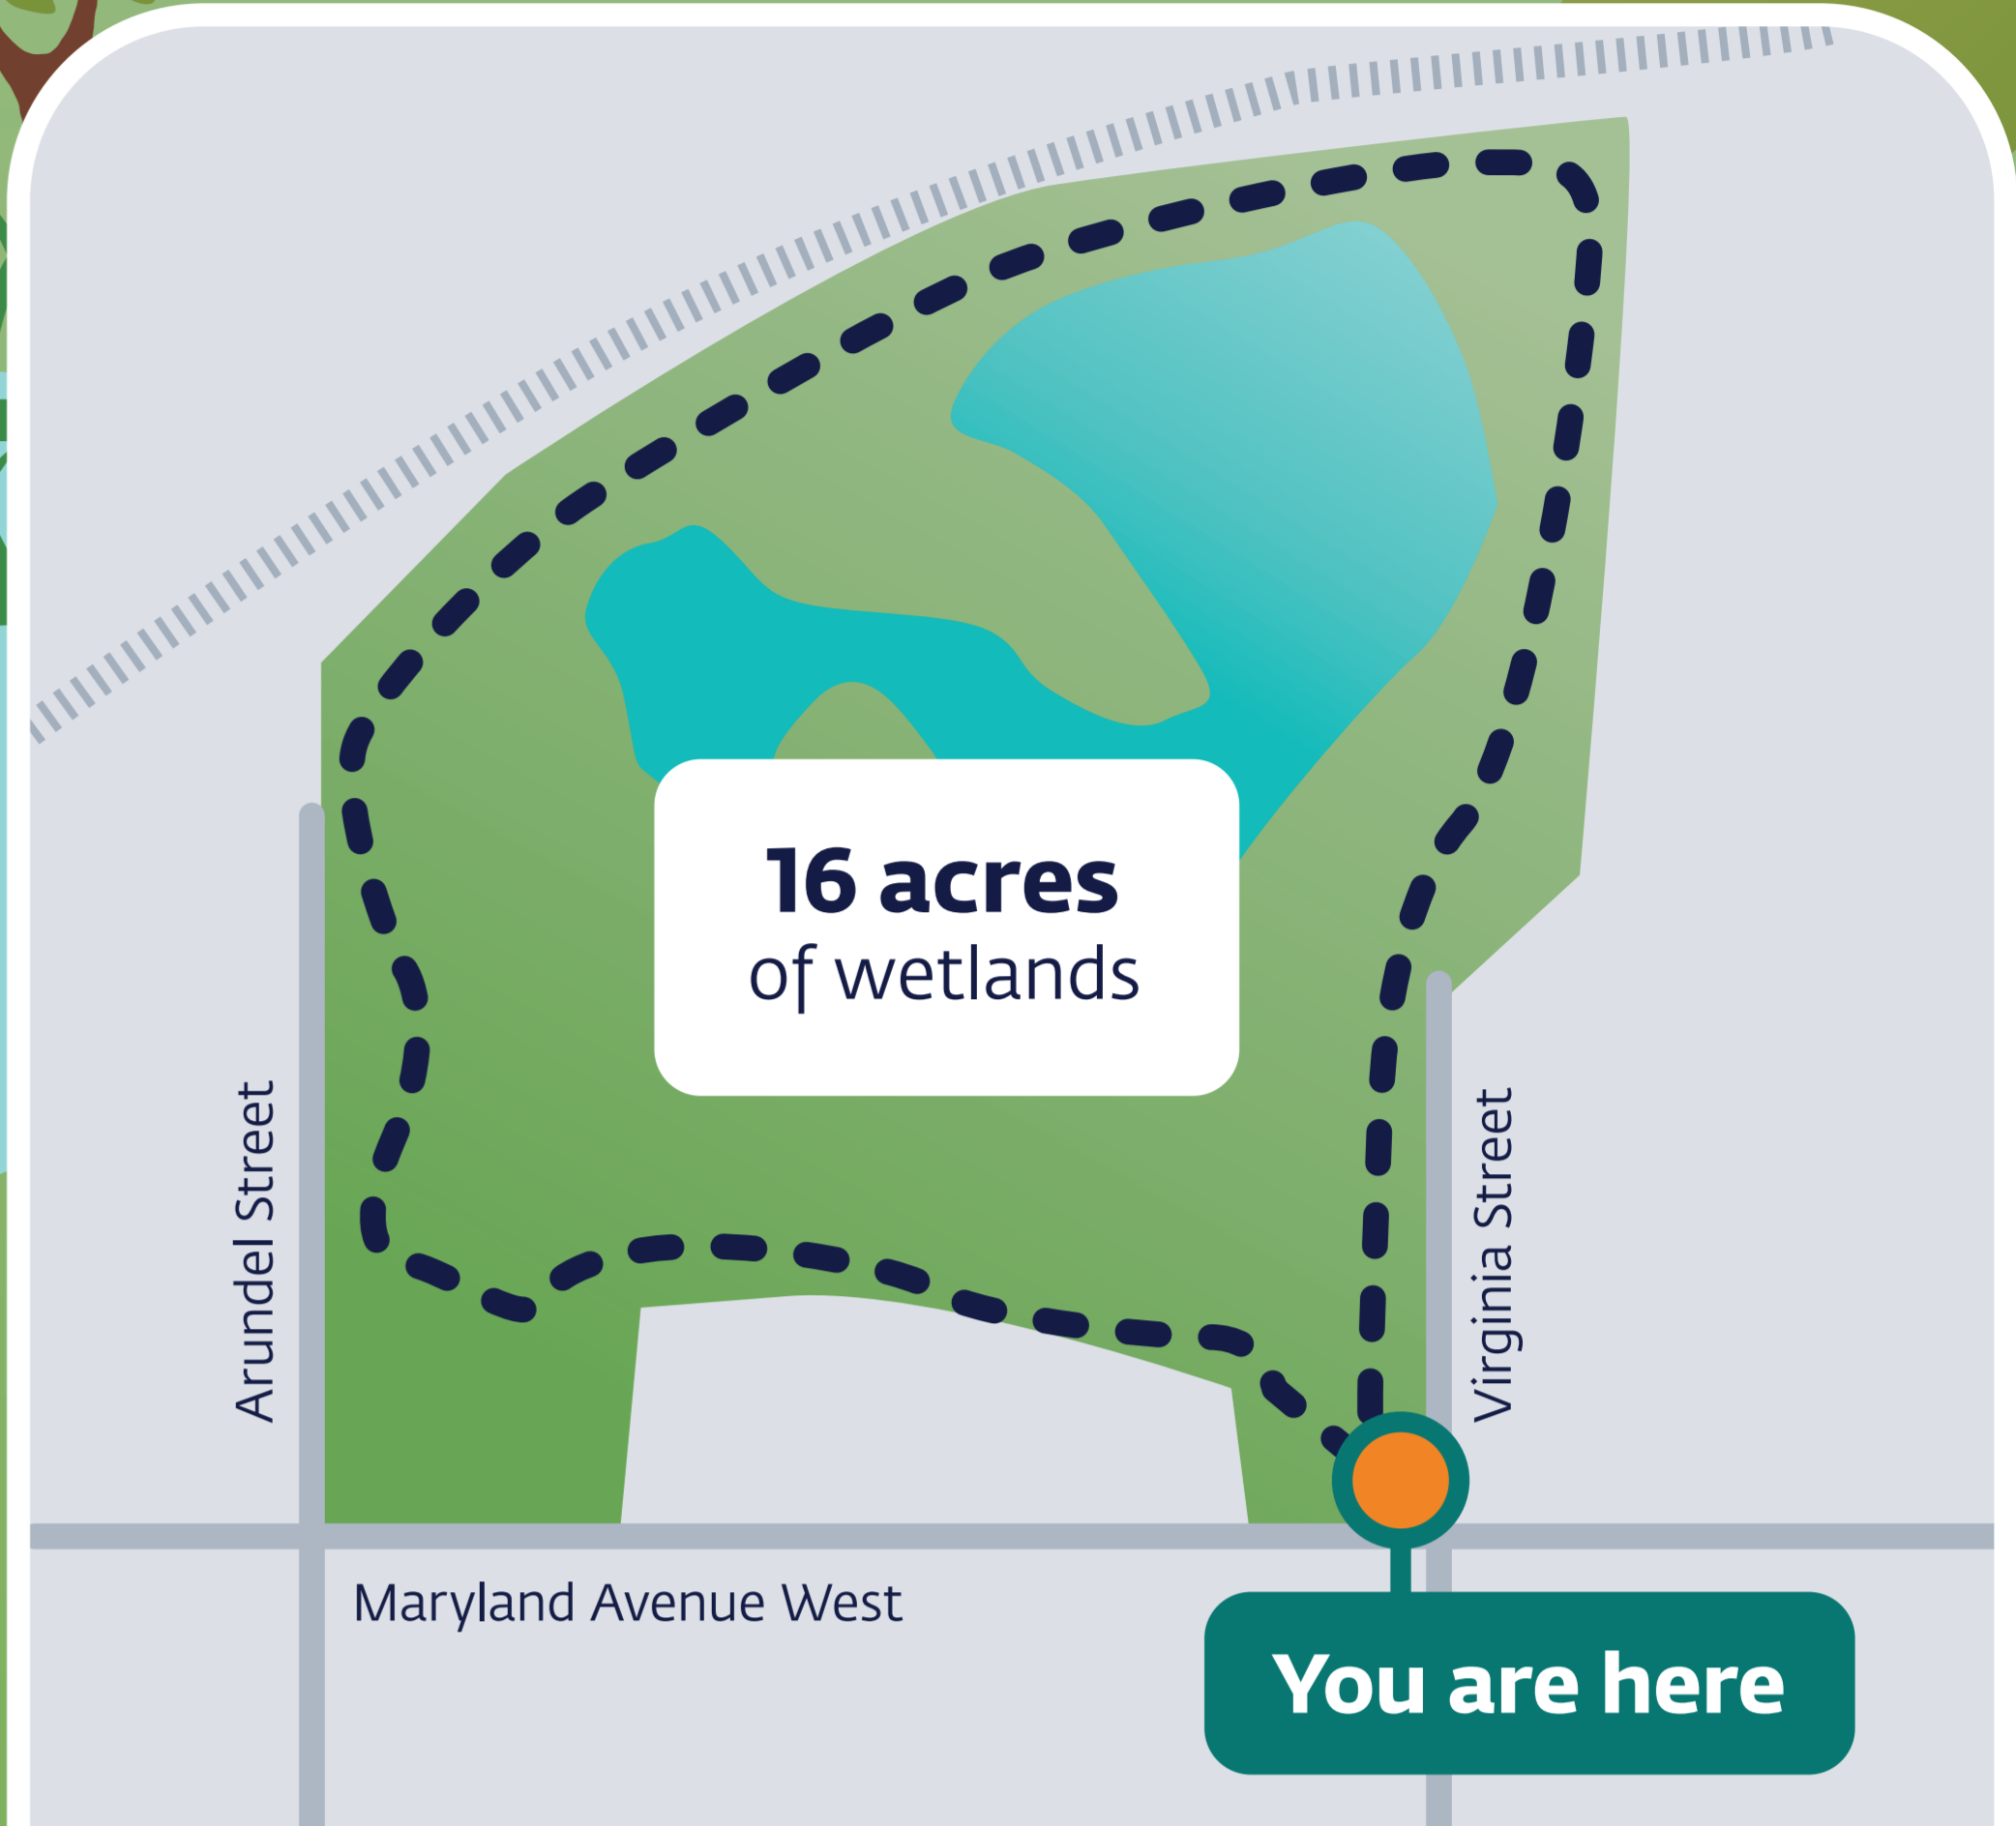

Come explore 23 acres of beautiful urban wilderness at Willow Reserve. Those who walk softly and listen carefully may be welcomed by deer, songbirds, ducks, butterflies, and frogs. In recent years, the community and many partner organizations have been working to restore native plants and provide a peaceful retreat for neighbors.

### A Historic Stream

A stream once flowed across the property where you'll find railroad tracks now. It was put in a pipe and buried below ground as the area was developed and flows into the pond when it rains.

### The 3/4 Mile Loop

Visitors are invited to explore Willow Reserve. Trail marker signs have been added to guide you on your journey.

### Protecting Neighbors from Flooding

A pond fed by a storm sewer pipe sits in the middle of the reserve. This area provides relief by storing extra water during heavy rainstorms to prevent flooding in the neighboring community.

### Restoring Native Plants for Wildlife

You'll find evidence of wildlife throughout the reserve. A lot of work has been done to remove invasive plants and replace them with native trees, shrubs, and flowers to better support wildlife of all kinds.

## Park Rules

- ✔ Park hours: Sunrise to 10 p.m.
- ✔ Please do not leave valuables in your vehicle
- ✔ No overnight parking
- ✔ Motorized vehicles restricted to parking areas only
- ✔ Dog ordinance in effect: dogs must be on leash no longer than 6 feet
- ✔ Clean up after your pet
- ✔ No unauthorized vending
- ✔ No feeding birds and wildlife
- ✔ Alcohol possession and consumption is prohibited
- ✔ No camping
- ✔ No fires

## How you can help

Help protect Willow Reserve by keeping your neighborhood clean. Rainwater carries trash from city streets to storm drains which flow into nearby lakes, Willow Reserve, and the Mississippi River.
