CRWD's Watershed Steward Awards Program honors individuals or organizations that exemplify watershed stewardship through activities, projects or policies that demonstrate a commitment to CRWD's mission to "protect, manage and improve water resources of Capitol Region Watershed District."

Watershed Citizen Award: Given to an individual who has demonstrated a personal commitment to citizen engagement, project initiation or exceptional leadership that supports CRWD's mission.

» 2020 Watershed Citizen of the Year Award Winner:

Christina Kunz

Watershed Outreach Program Award: Given to an organization that has demonstrated through its policies, practices or projects a commitment to CRWD's mission by connecting residents to clean water practices through education, art or other means.

» 2020 Watershed Outreach Program Award Winner:

Saint Paul Parks & Recreation's BIPOC Parks Ambassadors

Watershed Partner Award: Given to an organization that has demonstrated through its policies, practices or projects a commitment to CRWD's mission by consistently implementing innovative stormwater management solutions.

» 2020 Watershed Partner Award Winner:

City of Lauderdale
